

Serra Retreat
A Franciscan Retreat Center

Dear Friends of Serra Retreat,

We are happy to announce that Serra Retreat is now open for personal retreats and for groups again. We are following the state and CDC guidelines regarding cleaning protocols, social distancing, mask wearing and taking temperature of all guests.

Due to the fact that we have limited guests, our staff is working modified hours. If you call and nobody is in the office, please leave a message. If you have questions regarding reservations, please contact Jenny at reservations@serraretreat.com as she is in the office during the week and checking her email remotely on the weekend.

Currently we remain closed to the public. Thank you for your understanding. We miss all of you.

We are praying that all of you stay safe and healthy and we ask you to pray for us too. Thank you.

Blessings.
